EAST END DEVELOPMENT SITE

Very unique destination resort site; the largest in Cayman. Over 500 acres with abundant ground water, over 1000 ft of reef protected beach frontage, plus the 20 acre Colliers Pond which is a protected Animal Habitat and provides a buffer from the main road. Perfect for a Destination golf resort. Hotel and Residential Zoning, but mixed use Planned Area Development status likely. Tremendous potential in developing area. Contact the Listing Agents for more detailed information.
